"GAME ACT"

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that the regulations now in force covering the registration of trap-lines be rescinded, and that, pursuant to the provisions of section 68 of the "Game Act," the following regulations, to be known as the "Regulations Covering the Registration of Trap-lines," be made:—

REGULATIONS COVERING THE REGISTRATION OF TRAP-LINES

1. These regulations shall be applicable to all of the Province except the following:—

- (a) Municipalities;
- (b) The Electoral Districts of Saanich and Nanaimo and The Islands;
- (c) That portion of the Electoral District of Esquimalt situate and lying to the east of the right-of-way of the Canadian Northern Pacific Railway Company running from the City of Victoria to Cowichan Lake;
- (d) Any area comprised in the islands adjacent to Vancouver Island or to the Mainland of the Province situate and lying south of a straight line running from the mouth of Oyster River on Vancouver Island to the City of Powell River on the Mainland;
- (e) Private property, unless at the written request of the owner or owners thereof.

2. (a) Under these regulations no person or group of persons shall trap, take, wound, or kill any fur-bearing animal, or set any trap or other device that can be used for trapping, except within the limits of a trap-line duly registered under these regulations, of which he is or they are the holder.

(b) The registered holder of a trap-line shall make provisions to trap and shall personally carry on active trapping on his registered trap-line within

thirty (30) days after the commencement of the opening of the season for trapping fur-bearing animals in and for the district or area in which his trap-line is registered.

(c) The holder of a registered trap-line may, providing that he is actively trapping his trap-line, after obtaining permission from and in the discretion of the Game Commission, employ one licensed assistant trapper in the operation of his trap-line, and such approved and licensed assistant trapper shall thereby be authorized, within the limits of the registered trap-line of which his employer is the holder, to trap, take, wound, or kill fur-bearing animals and to set traps or other devices that can be used for the trapping of fur-bearing animals.

(d) When a registered trap-line, through the illness, old age, or death of the registered owner, is not being trapped in accordance with the provisions of clause (b) of this section, the Game Commission may, at the written request of the registered trap-line holder on account of illness or old age, or at the request of the Official Administrator or the administrator of the estate of a deceased holder of a registered trap-line, allow, under permit, one or two licensed trappers only to operate such trap-line.

3. Every applicant for registration of a trap-line shall make application therefor on a form prescribed by the Game Commission, in which such applicant shall furnish true and complete information as to and under the following headings:—

- (a) Full name;
- (b) Full address;
- (c) Nationality, racial origin, and, if applicable, the number of naturalization certificate;
- (d) Occupation;
- (e) Length of residence within the Province immediately preceding date of application;
- (f) Serial number of licence to trap fur-bearing animals (resident Indian excepted);
- (g) Complete description of trap-line showing location and sufficiently defining said area by reference to the nearest known natural and geographical points. A sketch-map of the trap-line which it is desired to register must be presented by each applicant, showing the location of cabins, shelters, or trails, and any other information that may from time to time be requested by the Game Commission;
- (h) The number of years applicant has trapped said trap-line;
- (i) Particulars as to marks, blazes, or signs set out denoting the boundaries of the trap-line. (A registered trapper is required to blaze or otherwise mark his registered trap-line on the ground.)

4. Except in the case of Indians who are residents of the Province, no application for registration of a trap-line, or for renewal of registration thereof, shall be accepted unless the applicant is the holder of an existing licence to trap fur-bearing animals.

5. Upon being satisfied that the territory applied for as a trap-line is suitable for the purpose and that trapping thereon is warranted, and upon approving the application, the Game Commission may register said area.

6. Subject to the provisions of subsection (1) of section 39A of the "Game Act," the granting or acceptance of the application and the allotting of a trap-line shall be in the sole discretion of the Game Commission.

7. Every holder of a registered trap-line shall blaze or otherwise mark said trap-line in such a manner that will sufficiently and clearly indicate the same on the ground, and any trap-line that has not been so marked shall be liable to cancellation.

8. No bird or animal, or any part of any bird or animal, shall be used as bait on any trap-line during any period when the hunting, killing, or possession of such bird or animal is unlawful in the district wherein the said trap-line or any part thereof lies.

9. Every holder of a registered trap-line shall, immediately upon expiration of his licence to trap fur-bearing animals, and, in the case of Indian registered trap-line holders, after the close of the trapping season, submit a true and complete report to, and on a form prescribed by, the Game Commission, showing the number and species of fur-bearing animals trapped or taken on the trap-line within the period during which he has held the said licence to trap. Further, every such licensed or Indian trapper having beaver in or on his or their trap-line must, at the conclusion of the trapping season, include in the report or return referred to an estimate of the number of beaver left on his or their trap-line.

10. Registration of a trap-line shall be for the period ending on the thirtieth day of June next following the date of registration or of renewal of registration; but the registered holder of a trap-line shall, on or before the thirtieth day of September next following the expiration of the registration period, apply for a renewal of the registration for a further registration period; provided, when reasonable grounds are presented, the Game Commission may grant an extension of this period.

11. The registered holder of a trap-line for which application for renewal has not been made pursuant to these regulations or has been refused by the Game Commission shall, ipso facto, forfeit all rights thereto, and registration of the trap-line may then be applied for by any other qualified person. Where the Game Commission, in the interests of conservation, has directed or consented to the fur-bearing animals on a trap-line remaining untrapped during any period, and where the last or present registered holder, if he requested the said trap-line to remain untrapped and after obtaining the necessary permission so to do, continues during that period to be the holder of a licence to trap fur-bearing animals, the Game Commission may preserve to the last or present registered holder the first and preferred right to apply for or renew his application for registration of the trap-line when it is next open for trapping.

12. The Game Commission may, notwithstanding anything contained in these regulations, hold in good standing without the need of annual registration, as set forth in these regulations, the right of registration over any trap-line where the registered holder thereof has enlisted in and is on active duty in any branch of His Majesty's armed forces.

13. In any transfer of a registered trap-line or when any alteration is required to be made to the original trap-line registration at the request of the trap-line holder or owner or any other person, and after obtaining the approval of the Game Commission, the person in whose name the registration is being transferred or altered must pay a transfer fee of two dollars and fifty cents (\$2.50).

14. Leasing, loaning, renting, or in any way allowing any other person trapping rights on or over any registered trap-line or part thereof is prohibited, except under permit issued by and at the discretion of the Game Commission.

15. No person shall be the holder of, or operate, or trap on more than one trap-line. Without permission first being obtained from the Game Commission, no trapper trapping on private property or in any municipality shall trap or assist in trapping on any registered trap-line, and no registered holder of a trap-line shall trap or assist in trapping on any private property or in any municipality.

16. No registered trapper shall dispose of his registered trap-line by sale or otherwise except under permit issued by the Game Commission, and where a trapper has been granted permission to sell or otherwise dispose of his trap-line, such trapper shall only be entitled to register one new trap-line.
